

Horticulture Club News

Hello, Hort Club!

I finally got the chance to put together the newsletter. As this is my first time doing this, it may be a little rusty, so I apologize for that! Also, some of the meeting minutes are missing, but I will do my best. Lots has been happening in the last month but here's a quick overview.

As you all know, Joliet Student Career Days was a huge success! Several of our members placed in the top three for their challenges—go team! The weather was great which helped in our success. There was also a career fair at Joliet which gave some of us an opportunity to talk to possible future employers.

New officers were finally elected and are as follows:

President- Cathy Rigdon
Vice President- Dee Dee Johnson
Secretary- Seth
Treasurer- Calista Myers
Reporter- Sara Stubbs

Work continues on the haunted forest and great progress has been made. We still have lots to do however, so be thinking about wrapping up all the unfinished projects! Help with this is required in order to attend the Green Industry Expo in November. We will be meeting with PAC on Sunday the 22nd, so if you are going to be a main character, you must attend this meeting!

GIE is on November 1st thru the 4th, and everyone who is going should have already signed up and filled out required paperwork for Randey.

Our next big fundraiser is the wreath sale, which Genny handed out forms for at our last meeting. Let's try to get out there and sell lots of wreaths for Christmas!!

This is by no means everything that has been discussed this month, so I strongly urge you to attend the next meeting, so you can get caught up on all the exciting Hort Club news!
