

2004-2005 HORTICULTURE CLUB Newsletter

Just a reminder to everybody what went on at the last meeting on Sunday the 17th. Thanks to everybody who came and enjoyed the food....MMMgood!!!

- ✦ **Keep in mind next year's SCD's - its never too early to start working on that**
- ✦ **Haunted Forest-if we don't want to do it, we need ideas of what we are going to do. If nothing we need to get working on marketing, etc. earlier this year. Holly made an excellent point that we should advertise it at Landscape and Garden Day**
- ✦ **See Genny or Randey for a scholarship form which will be given away at the Spring Banquet**
- ✦ **Speaking of the Spring Banquet - the date was going to be changed but it has been decided to keep it on May 15th**
- ✦ **Also e-mail me please if you would definitely like to go to the Chief's Game on June 16th, Thirsty Thursday @7pm**
- ✦ **Be thinking about Community Service Projects: We need our program and club to be seen by the public more and to be recognized as a good club**
- ✦ **Also let's try to generate interest out of the other Freshman. I am getting a flier together that we can pass out and talk to everyone about.**
- ✦ **Thanks for your time and energy!**
- ✦ **Don't forget the Mother's Day plant sale May 4th. The Volunteer List is on the board in the classroom at hort lab.**
