The Horticulture Club donated their time and energy to the well deserving Family House in Peoria. A tree was planted in their front yard to perk it up a bit after the I-74 Construction ripped through the area. Those who attended were Franz Hoerdemann, Jennifer Ripper, Missy Johnson, Genny Gibbs, Joel a student worker, as well as the Executive Director of the Family House, Peggy Murphy. The Spring Banquet was a success this year and ran very smoothly thanks to the energy put forth by our presenters of the evening: Amberly Herbst and Jennifer Ripper, as well as the company of new and old club members.

Certificates were given out to everyone who participated at SCD in Maryland, as well as a number of Scholarships. Those receiving scholarships included Amberly Herbst, Fred Romane, Gretchen Streutch, Cathy Rigdon, Missy Johnson, Jennifer Ripper, and Pat Jefford. Congrats to everyone!

It was a nice evening with old and new friends and awesome food! Thanks to everyone for coming and hope you had a great time!
