Section I

Bylaws of the Board of Trustees

Illinois Central College

Implementation

The College will establish near and longer term procedures and measures, including an oversight structure, to review the status of each element of this policy and to ensure its implementation, with the goal of integrating informed and evolving practices for sustainability with the College's mission of creating a culture of excellence. These procedures and measures shall rely on scientific and technical analysis and support efforts to develop objectives and targets for operations and measures to assure accountability. Annual progress reports will be made with the overall goal of integrating knowledge of sustainability with actions to prove it.
