THE Child Care Connection Resource Library

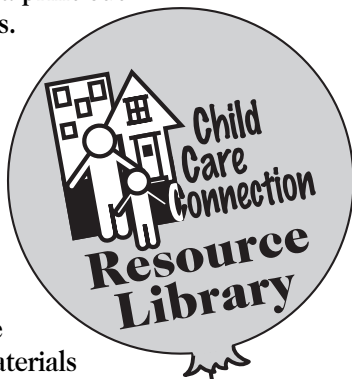

Library cards are issued to family child care providers, center and preschool directors and staff, public and private school personnel and other interested individuals who apply for a Child Care Connection Library card. There is no fee for the library card and you can check out a total of **five (5) items** and no more than two each of multimedia/use resources: videos, cassettes, theme packets or equipment.

The loan period for all materials is two weeks. Borrowers are to return materials on or before the due date. Patrons receive a print out of resources and due dates. All materials must be returned during library hours.

A fee of .25 cents per day will be charged for each item overdue.

Borrowers who return damaged materials will be charged a repair fee. If materials are lost or damaged beyond repair, a replacement fee will be charged.

Violations of these policies will result in library privileges being revoked.

THE MANY RESOURCES

LAMINATING

Make your posters and print materials resistant to small fingers!

ACTIVITIES & MORE!

We have a variety of resource books and magazines that are full of ready-to-use ideas and activities for working with children, as well as manuals for program development and staff training.

THE ELLISON DIE CUT MACHINE

Cut out letters and patterns to create bulletin boards, learning centers, art materials, manipulatives, and much more! Try using felt, sponge, sandpaper, static cling vinyl, or magnetic sheets for a different flair!

We have four and three inch upper and lower case letters and over 200 patterns for use with our Ellison die cut machines.

CHILD-READY MATERIALS

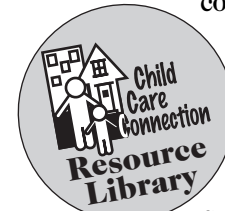

Check out Big Books, Theme Packets, Curriculum Kits, and Music Recordings for use in the classroom or home. Enhance your curriculum with a collection of hands-on, developmentally appropriate materials.

TRAINING VIDEOS

We have videos on a variety of topics for staff training, parent workshops, or professional development. Preview a title of interest on our TV/VCR.

BUTTON MAKER

With the electric button maker you can easily create unique magnetic or pin button designs. Use computer graphics or children's art to create nametags, parent incentives, or to publicize your center or day care home.

BOOK BINDER

Spiral bind books for class book publishing, to create program handbooks, cookbooks, or scrapbooks. Add the finishing touch to children's writing or professional documents.

THE COMPUTER STATION

Use our state-of-the-art computer station, complete with scanner and color printer. Create business cards, center signs, newsletters, and calendars, just for starters! Use the multimedia capabilities for documentation of children's work, or search the internet for resources and information on early childhood care and education.

COPIER

Enlarge and reduce patterns, create print materials, or copy an article to read later on.

POSTER MAKER

Create wonderful classroom posters in a variety of colors and sizes! Enlarge your original 8 1/2"x11" to poster size or use the poster maker templates to create your own!
