Dear Parents,

Nice weather is finally upon us, and we are now able to be outside almost everyday. With this in mind we would like to put in place a release form for treatment of minor injury's, bites, stings, and sun burn prevention. If your child has any special skin issues or non-contagious irritations, you may bring lotion for your child's use. We also request that at least for the summer that you bring sunscreen for your child.

Please read the following, fill out the form and return to your child's teacher ASAP. We will keep a copy in your child's file for treatment of these minor occurrences.
