

Thank you for being a part of ICC's Athletic Academic Success in 2010-11

• 14 Athletes Recognized as NJCAA Academic All Americans	• 6 Teams Recognized as NJCAA Academic Team of the Year (3.0+)
• 55 Student-athletes named to the Dean's List (3.5 GPA+)	• 28 Student-athletes named to the President's List (4.0 GPA)

Intervention keeps students on track. Here's how you can help!

Communication: Please contact Karen Giesler, Athletic Academic Monitor, if/when you begin to see signs of academic breakdown for ICC student athletes (skipping class, missing assignments, lack of participation, etc.) To comply with FERPA, all student athletes have written permission on file for release of this information. This communication is in addition to the use of the Academic Warning System, which helps to monitor student performance.

Tools: Progress Report forms will be sent to you via ICC email at various times throughout the semester. Please complete them in a timely manner.

Resources: Encourage a visit to the Learning Labs (for any student). East Peoria Campus: Learning/Help Lab, Room 236A; Math Lab, Room 235A; The Studio, Room 238A. North Campus: Cedar 136. Downtown Campus: 112 Perley.

Together we create an environment for ICC student success!
