

# The Blackboard Institute Summer 2007

This Institute is formatted for instructors who have limited or no prior experience with Blackboard.

**Thursdays  
(4 sessions)**

*Participants must attend all sessions to get the maximum benefit from the institute.*

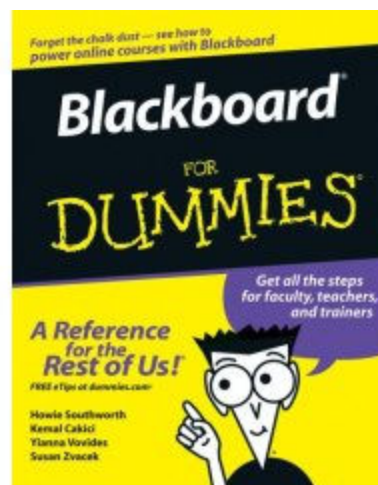

- May 17
- May 31
- June 7
- June 21

**4:00 PM to 6:00 PM  
Snacks Provided**

**Session Facilitator**  
*Pam Dewey, Instructional  
Technologist/Lead Adjunct*

**To Register  
E-mail: [tlc@icc.edu](mailto:tlc@icc.edu)  
or call the  
Teaching and  
Learning Center  
694-8908**

Workshop participants will receive a free copy of the newly-released “*Blackboard for Dummies*” by Southworth, Vovides, Cakici and Zvacek.

The Blackboard Institute will guide faculty through developing a Blackboard course site to be used with a traditional, hybrid or online course. Faculty will develop technical and pedagogical skills in Web-based instruction while experiencing Blackboard from a student’s perspective.

### Recommended Participants:

- faculty new to Blackboard
- faculty who want to create a Website to support or enhance any type of course
- faculty who use Blackboard but have not already experienced the Institute
- faculty who have been to an Institute but wish a “refresher” course on the basics.

**Registration deadline is Friday, May 4.  
There are 14 seats available in this institute.**

**All sessions will be held in the Teaching and Learning Center,  
240A on the East Peoria Campus.**
